Fundamentals of Microbiology, Eleventh Edition

Clinical Laboratory Technology Degree Offered at the Following Campus. Vidalia; Program Overview. The Clinical Laboratory Technology associate degree program is a sequence of courses that prepares students for technician positions in clinical (hospital) laboratories and related businesses and industries.

Clinical Laboratory Technology Degree - Southeastern ...

An infant reference range has not been experimentally determined using our current PTT reagent. The PTTs of normal infants are longer than those of adults due to lower factor levels in the first months of life; the infant reference ranges provided (5 days, 3 months) are based on published literature (Ref: Andrew M et al. Blood 1987; 70-165).
