Project-based learning (PBL) is a student-centered pedagogy that involves a dynamic classroom approach in which it is believed that students acquire a deeper knowledge through active exploration of real-world challenges and problems. Students learn about a subject by working for an extended period of time to investigate and respond to a complex question, challenge, or problem.

### **Project-based learning - Wikipedia**

I had rather very unorthodox methods of studying and an attitude to schooling at all levels from grade school right through to university postgrad. Thankfully I wasn't born in the West or they'd have medicated the shit out of a kid like me! While ...
