Internet Lessons Note For Teachers: Please take time to preview the links on any Internet assignment before you use it with your students. With the ever-changing nature of the Internet, links may become broken or websites are no longer available. If you find a problem, please send me an e-mail. • The Organ Trail - Challenge your students to create a "Wanted" poster about an organ.

The Science Spot

Classifying Living Things-In this activity, you will see a large grid of green square tiles. Each tile will have a different plant or animal on it. See if you click on the correct tiles that belong to the category shown in each round of the game. When you think that you have clicked on all of the correct tiles, then click the "GO" button on the bottom of the screen.
