Geography Paper 3 Practical And

Higher Geography – develop a range of geographical skills and techniques. Gain detailed understanding of the ways which people and environment interact in response to physical and human interactions.

SQA - Higher Geography

The history of geography includes many histories of geography which have differed over time and between different cultural and political groups. In more recent developments, geography has become a distinct academic discipline. 'Geography' derives from the Greek γεωγραφία – geographia, a literal translation of which would be "to describe or write about the Earth".
