Some of our textbooks have accompanying instructor resources. These solution manuals are placed on the textbook's product page in the "Read this book on SpringerLink" section, just below the Table of Contents. These materials are only distributed to instructors in conjunction with an adoption.

### **Solution Manuals - Springer**

In my search for particular solutions manuals, I would usually stumble solutions manuals for related textbooks. I would just download those and start using the other book's problems. Hopefully the original book's chapters are decent enough for the book to remain useful, even though I essentially moved on to the second, usually older textbook.
