A cross section is the face you get when you make one slice through an object. Below is a sample slice through a cube, showing one of the cross sections you can get. The polygon formed by the slice is the cross section. The cross section cannot contain any piece of the original face; it all comes ...

Summer Song appeals to a wide audience of young readers, many who may be facing difficult issues themselves. Because the plot deals realistically about a fractured family and a teen's struggle for control, students can better grasp what Etta May herself finally comes to understand: while we cannot control life, we can affect parts of it.
