By: Elias Glenn BEIJING: Real estate investment in China rose 10.4 percent in the first quarter from a year earlier as the pace of new construction sped up, while property sales slowed in the face of intensified government cooling measures. The pace of investment growth accelerated from 9.9 % in the first two months of 2018, the National Bureau of Statistics said on Tuesday.

The Real Estate Act Rules contain most of the requirements affecting industry professionals' business activities. Council can create and amend the Rules, but does so with due care through industry consultation and stakeholder discussion. This rule making authority allows Council to adapt and address issues in the marketplace relating to industries governed by RECA in a timely manner.
