Economics After Neoliberalism from Boston Review. Contemporary economics is finally breaking free from its market fetishism, offering plenty of tools we can use to make society more inclusive.

Economics After Neoliberalism | Boston Review

From the beginning, the essential task of our organization Us has been and remains to provide a philosophy, a set of principles and a program which inspires a personal and social practice that not only satisfies human need but transforms people in the process, making them self-conscious agents of their own life and liberation. Such a transformative practice will, of necessity, also lead to the ...
