Just wanted to let you know that the Sharp XEA147 black cash register and battery that I ordered, arrived via courier today in excellent condition.

### **Cash Registers**

The point of sale (POS) or point of purchase (POP) is the time and place where a retail transaction is completed. At the point of sale, the merchant calculates the amount owed by the customer, indicates that amount, may prepare an invoice for the customer (which may be a cash register printout), and indicates the options for the customer to make payment.
