Fourth Grade : Math Generation - EGUSD Edublogs Campus

I fast forward past the clip that says "symmetry in nature" and instruct my students to watch the video and think about what is the SAME about each image. (Students have all had prior experience with symmetry through a daily computer math skills program as well as through art lessons in third and fourth grade).

Fourth grade Lesson Little Bears Vest - A lesson on Symmetry

Goal. To begin today's lesson, I introduced the goal: I can find the factors for numbers up to 100. I explained: Over the past few lessons, you have learned how to identify the factors for numbers using the prime factorization method and the u-turn method. Today you get to use your factor-finding skills to play a game!
