Inspire learning & teach biblical values with Christian school & homeschool curriculum trusted since 1972. Discover proven textbooks, video lessons, & more.

Abeka | Excellence in Education from a Christian Perspective

XtraMath® helps students transition from counting or calculating the basic math facts to recalling them. Quickly recalling math facts, instead of calculating them, frees up mental resources for higher-level operations. XtraMath's timed activities encourage students to answer questions as quickly as possible.

Please review the FAQs and contact us if you find a problem. Note: My state, Pennsylvania, does not require school until age 8, so I do not require my second grader to do everything in the program year. He does the readings and tells me about them, answering questions, but he doesn't always do the...
