Economics New ways of thinking Chapter 2 Flashcards | Quizlet

It takes a certain kind of vision to see "what would have been." It takes your mind (and not your eyes) to see what would have been. You have to think your way to understanding that one new window means one fewer suit. Suppose the federal government sets aside funds for a new interstate highway system.

New London) touched on the issue of eminent domain. In a 5-to-4 ruling, the U.S. Supreme Court held that local governments may force property owners to sell to make way for private economic development if city officials decide that such a sale would benefit the public. The local officials can do this even if the new project's success is not ...
