Singular they is the use in English of the pronoun they or its inflected or derivative forms, them, their, theirs, and themselves (or themselves), as an epicene (gender-neutral) singular pronoun. It typically occurs with an unspecified antecedent, as in sentences such as: "Somebody left their umbrella in the office. Would they please collect it?" "The patient should be told at the outset how ...

Insider trading is the trading of a public company's stock or other securities (such as bonds or stock options) by individuals with access to nonpublic information about the company. In various countries, some kinds of trading based on insider information is illegal. This is because it is seen as unfair to other investors who do not have access to the information, as the investor with insider ...
