Moreno Valley Commits to Cooperation and Transparency The City of Moreno Valley is dedicated to making government as accessible as possible. City Hall is exploring how we may share information with the public on a continuing basis, with the goal being to promote transparency while preserving the integrity of the legal process.

City of Moreno Valley, California

Pielke, 2018 Since 1990 the world has seen a decrease in overall and weather-related disaster losses as a proportion of global GDP. This trend has occurred even as disaster losses have increased in absolute terms. The primary factor driving the overall increase in disaster losses is societal, mainly growth in populations and settlements at risk to the consequences of extreme events (IPCC, 2012).
