Florida Driver Handbook 2012 Answers

In the United States, driver's licenses are issued by each individual state, territory, and the District of Columbia rather than by the federal government because of the concept of federalism. Drivers are normally required to obtain a license from their state of residence and all states recognize each other's licenses for non-resident age requirements.

A driver's license is an official document, often plastic and the size of a credit card, permitting a specific individual to operate one or more types of motorized vehicles, such as a motorcycle, car, truck, or bus on a public road.. In most international agreements the wording driving permit is used, for instance in the Vienna Convention on Road Traffic.
