The goal of the Massachusetts public K-12 education system is to prepare all students for success after high school. Massachusetts public school students are leading the nation in reading and math and are at the top internationally in reading, science, and math according to the national NAEP and international PISA assessments.

Massachusetts Department of Elementary and Secondary Education

A primary school (or elementary school in American English and often in Canadian English) is a school for children from about five to eleven years old, in which they receive primary or elementary education. It can refer to both the physical structure (buildings) and the organisation. Typically it comes after preschool, and before secondary school. [citation needed]
