In return, Owen Valley High School students and their parents are expected to make the most of these opportunities as students engage in instruction and strive to achieve to the best of their abilities.

Owen Valley High School

Programming camps are one of the most popular choices in summer camps for kids and teens today. Some camps may offer technology-related activities mixed with other curricula, while others rightfully deserve to be called "computer camps," where kids can learn programming, design and a variety of other technical and creative skills. A blend of technology and fun is the main feature or attraction ...

Programming Camps for Young Teen Programmers

In the 1970s in Santiago, Chile, a group of women helped bring about social change with hand-stitched tapestries. Inspired by these arpilleras, students can envision changes and tell their own stories. This lesson plan also introduces a new faux-felting technique using a paper clip and colorful ...
