Clonidine. Earl is in for yet another visit to see his primary care physician, Dr. Porter. Earl's body seems to be functioning fine overall, but his blood pressure has been high for well over a ...

Clonidine: Indications & Contraindications | Study.com

This established the first strong link between early cognitive development and the functions of a specific brain region. That gave encouragement to others that rigorous experimental work addressing brain-behavior relations was possible in infants. It also fundamentally altered the scientific understanding of PFC early in development; clearly it was not silent as accepted wisdom had held.

Here's the thing about CBD oil; while it works wonderfully for hundreds of thousands of people, it is NOT a miracle cure. A growing body of CBD research shows its capability in relation to easing the

symptoms of conditions such as social anxiety diseases, insomnia, fibromyalgia, cancer, and many others. However, we believe in CBD oil, NOT snake oil, which is why we know it is not 100% ...

Alcoholism, also known as alcohol use disorder (AUD), is a broad term for any drinking of alcohol that results in mental or physical health problems. The disorder was previously divided into two types: alcohol abuse and alcohol dependence. In a medical context, alcoholism is said to exist when two or more of the following conditions are present: a person drinks large amounts of alcohol over a ...
