Cat food is food for consumption by cats. Cats have specific requirements for their dietary nutrients. Certain nutrients, including many vitamins and amino acids, are degraded by the temperatures, pressures and chemical treatments used during manufacture, and hence must be added after manufacture to avoid nutritional deficiency. The amino acid taurine, for example, which is found in meat, is ...

WebstaurantStore: Frequently Asked Questions

Colonial American beverages Hot, non-alcoholic Coffee, tea and chocolate were popular non-alcoholic hot beverages during American Colonial times. These imports were expensive, but not beyond the reach of the average person. Folks too poor to afford the real thing brewed hot beverages from herbs, flowers, bark, roots, and woody stems.

The Food Timeline--beverages

Food security is a measure of the availability of food and individuals' accessibility to it, where accessibility includes affordability. There is evidence of food security being a concern over 10,000 years ago, with central authorities in ancient China and ancient Egypt being known to release food from storage in times of famine. At the 1974 World Food Conference the term "food security" was ...
