The answer sheets are the last page of each document. ... Electrophoresis Exploration - Student Record Sheet This record sheet helps students record their observations throughout the activity and discuss and answer questions about these concepts. These should be given to each student or fill out as a group.

Gel Electrophoresis Kit - Archive of SEPGuides (5.1.2017 ...

This SEP kit offers a series of activities for learning the principles of electrophoresis. After learning the basic technique, students progress to using agarose gel electrophoresis to separate mixtures of molecules. The Dye/Indicator Lab separates various dyes/pH indicators based on charge and size. The two DNA Labs allow students to separate DNA molecules based on size.
