This article by the Davidson Institute for Talent Development offers a list of tips for teachers. It focuses on suggestions any teacher can use in the classroom to aid their gifted students and promote their achievement in positive ways. Common blunders are also discussed as well as why they can be detrimental to the gifted student.

Tips for Teachers: Successful strategies for teaching ...

It is a responsibility we are failing to meet. According to statistics from the U.S. Department of Education, the gap in eighth-grade reading and math test scores between low-income students and their wealthier peers hasn't shrunk at all over the past 20 years. (The gap between poor and wealthier fourth-grade students narrowed during those two decades, but only by a tiny amount.)

Login in to complete the online form | Approved Programs WIAA rules allow for one year of eligibility for foreign students participating in exchange programs. Eligibility is not automatic, however, and schools must fill out a request for foreign student eligibility. These students are required to meet existing WIAA rules in areas other than residence.
