Learning Electron Configuration via POGIL By Audrey Smeltzer-Schwab ... If the answer is incorrect, the team providing the electron configuration gets the point. Halfway through the game, I give each person an element, and the game changes so the opposing team has to provide the electron configuration. The team at the end with the most points ...

Periodical | Learning Electron Configuration via POGIL | AACT

We had just had some snow days and I had the feeling that I was getting behind. In one class we were approaching the topic of orbital diagrams and electron configurations. I was tempted to just say, "Here are the notes." Sometimes there is nothing wrong with that. This time, something was eating at me. Instead I picked a POGIL (link is external) from the "High School
