The City Colleges of Chicago Adult Education programs provide open access for learners from diverse backgrounds that deliver high quality education to prepare students to transition successfully into college, career pathways, the workforce and/or to meet personal goals as lifelong learners.

City Colleges of Chicago - Welcome

This established the first strong link between early cognitive development and the functions of a specific brain region. That gave encouragement to others that rigorous experimental work addressing brain-behavior relations was possible in infants. It also fundamentally altered the scientific understanding of PFC early in development; clearly it was not silent as accepted wisdom had held.
