A: When fuel is purchased with a PIN debit card or Visa card, Costco requests a "pre-authorization" from the card issuer before beginning the fueling process. This is a temporary hold that assures Costco will be paid for fuel dispensed. The "pre-authorized" amount is approved by the card issuer and may be up to \$100.

I am STILL being charged the \$35 overdraft fee....AND I had enough money in my savings account. But Wells Fargo Rep. informed me that because I have two separate checking accounts...one of them is protected by my credit card and the other is protected by my savings account (which, by the way I had enough \$ to cover the purchases).

It's also worth noting that because American Express acts as both the credit card association and the credit card-issuing bank, the Amex fee setup and terminology is a bit different. However, the OptBlue program has brought Amex closer in line with the other associations in recent years in terms of both functionality and pricing. Check out our article on Amex rates and fees for more information.
