About Project-Based Learning . Projects help students personalize their learning and are ideal for gaining key knowledge and understanding of content and answering the question: Where am I ever going to use this?

K-12 Math Projects: About Project-Based Learning

Each page is split in half. Students fold the paper in half, cut across the dotted lines on the right side, and fold the right flaps under. They always start with the left side, where they read the

problem, following the CUBE steps (with a special place for the Examine step, because I think it is SO important), and then they open the flaps to reveal step-by-step how to solve the problem.
