Etymology. The word telecommunication is a compound of the Greek prefix tele (τηλε), meaning distant, far off, or afar, and the Latin communicare, meaning to share. Its modern use is adapted from the French, because its written use was recorded in 1904 by the French engineer and novelist Édouard Estaunié. Communication was first used as an English word in the late 14th century.

Twenty years ago today I announced Ethereal 0.2.0, which marks the first public release of what is now Wireshark. The release was an attempt at two things: to create an interactive protocol analyzer for Linux and Solaris so that I could do my job better, and to give back to the open source community.
