Ged Exam Questions And Answers

You need 65% correct answers to be successful on the GED exam. The GED Passing Score is 145-200 on each of the four subject tests. Taking a practice test is important because the GED is a long, high-pressure exam that has its own unique way of asking test questions but you need to keep in mind that you can take one of the four tests at a time.

The General Education Development (GED) tests are a group of four subject tests which, when passed, provide certification that the test taker has United States or Canadian high school-level academic skills. It is an alternative to the US High school diploma, HiSET and TASC test. The GED Testing website currently does not refer to the test as anything but "GED".
