The first place to look for an answer to this question is in his statements to Montag about why books are dangerous and worthless. For example, he tells Montag that books do not give definite answers, that they contradict themselves and one another, and that different people can "use" them to make absolutely contradictory points.

I LOVE the Fahrenheit 451 study guide that I just bought. I particularly like that the questions are more than just text questions and include literature analysis questions too, all from a Christian worldview. What I like the most, though, & what sold me on the Progeny Press guides is the copying policy.
