Most adult students have been out of class for a while; as such, their needs are different from those of younger students. Adult learners may not be as good as children and teenagers at forming new sequences of information, but they are better at putting existing knowledge to new uses, says author and education columnist Marcia L. Conner.

'Jupiter Meets Uranus' is a great introduction to how astrology works at the individual and social level. Readers without any knowledge of astrology may want to skip past a paragraph or two here and there, but Whitaker's style is engaging and her explanations are always clear. By taking a relatively small slice of the astrological pie and examining it in detail, she makes it possible for non ...

School is out for summer and all of the important grades have been locked in for the first half of 2018. The most recent earnings season grade for corporate America was an "A" as profit growth amongst S&P 500 companies was higher than any time since 2011 and nearly 75% of the stocks in the index beat their estimates, with a boost from lower tax bills.
