### **Fundamentals Of Taxation 2013 Tax**

A tax (from the Latin *taxo*) is a compulsory financial charge or some other type of levy imposed upon a taxpayer (an individual or other legal entity) by a governmental organization in order to fund various public expenditures. A failure to pay, along with evasion of or resistance to taxation, is punishable by law. Taxes consist of direct or indirect taxes and may be paid in money or as its ...

The United States of America has separate federal, state, and local governments with taxes imposed at each of these levels. Taxes are levied on income, payroll, property, sales, capital gains, dividends, imports, estates and gifts, as well as various fees. In 2010, taxes collected by federal, state, and municipal governments amounted to 24.8% of GDP. In the OECD, only Chile and Mexico are taxed ...

I have an inquiry, Sales tax ( as far as I understand ) is charged on product sales not services. If the contractor pays sales tax on a product and uses said product in the course of his business there would be no sales tax charged, That being said if the contractor purchased the product for resale there would be sales tax charged.

In the recent crisis, highly levered housing markets had a prominent role. In particular, the boom-bust in U.S. house prices was at the root of the distress in the market for mortgage-backed securities. 3 During the boom phase, lending standards eased considerably and borrowers' ability to service their loans increasingly relied on a continued climb in prices.
