If you have any wrong answers, do your best to do corrections but if there is anything you don't understand, please ask your teacher for help. When you have got all of the questions correct you may want to print out this page and paste it into your exercise book. If you keep your work in an ePortfolio you could take a screen shot of your ...

Pythagoras' Theorem Exercise

Today's Warm Up problems serve as the first half of the quiz review as I have included two problems that mimic problems students will see on their quiz. The first problem asks students to find the length of an unknown side of a right triangle, but the answer will not be the square root of a perfect square number.
