M. Russell Williams - Chief Executive Officer ...

In mathematics, a fundamental solution for a linear partial differential operator L is a formulation in the language of distribution theory of the older idea of a Green's function (although unlike Green's functions, fundamental solutions do not address boundary conditions).. In terms of the Dirac delta "function" $\delta(x)$, a fundamental solution F is the solution of the inhomogeneous equation

Fundamental solution - Wikipedia

A business corporation is a legal entity separate and distinct from the individual(s) who compose the business. It has rights and abilities similar to those of a natural person. Principal features are perpetual duration, limited liability and easy transferability of interests. A corporation may be formed for any lawful business purpose or purposes.
