Top-down and bottom-up are both strategies of information processing and knowledge ordering, used in a variety of fields including software, humanistic and scientific theories (see systemics), and management and organization. In practice, they can be seen as a style of thinking, teaching, or leadership. A top-down approach (also known as stepwise design and in some cases used as a synonym of ...

Read more This is what happens when you ignore the warnings on a Lithium (LiPo) Battery. First I tried Disassembling the battery to learn about it. Then I tried shocking the battery with a tesla coil. Surprisingly that did not work, so I connected it to a car battery to overcharge it and it worked great.
