5. Assets are on the left side of the basic accounting equation and liabilities and owner's equity are on the right side of the basic accounting equation. Since debits are on the left side, and assets are also on the left side, the normal balance of an asset is a debit balance.

**The Recording Process - [home.golden.net](http://home.golden.net)**

Description. 1. Account An accounting system where every transaction affects and is recorded in at least two accounts; the sum of the debits for all entries must equal the sum of the credits for all entries. \_\_\_\_ 2. Journal An entry that decreases asset and expense accounts, or increases liability, equity,...
