Emily Dickinson is one of America's greatest and most original poets of all time. She took definition as her province and challenged the existing definitions of poetry and the poet's work. Like writers such as Ralph Waldo Emerson, Henry David Thoreau, and Walt Whitman, she experimented with expression in order to free it from conventional restraints.

Cheese is a dairy product derived from milk that is produced in a wide range of flavors, textures, and forms by coagulation of the milk protein casein. It comprises proteins and fat from milk, usually the milk of cows, buffalo, goats, or sheep. During production, the milk is usually acidified, and adding the enzyme rennet causes coagulation. The solids are separated and pressed into final form.
