Answering Machine Telephones - Walmart.com

How to retrieve messages from an analog answering machine? First, set the remote access code while installing the answering machine. Then, call on your number from a touch tone phone. Once the machine receives your call, the greeting message will be played. Press star button (*) twice to avoid the message.

Answering Machine Troubleshooting Questions Answered

Answering machines fall into two major categories: digital and tape-based. The tape-style answering machine is the oldest of the two and leverages a two-sided cassette tape onto which messages may be recorded, erased, and re-recorded. The tape is often incorporated into the phone housing itself.
