3. Is culture the result of evolution? A society's culture consists of its accumulated learned behavior. Human culture is based at least partly on social living and language, although the ability ...

Evolution: Frequently Asked Questions - PBS

Evolution is change in the heritable characteristics of biological populations over successive generations. These characteristics are the expressions of genes that are passed on from parent to offspring during reproduction. Different characteristics tend to exist within any given population as a result of mutation, genetic recombination and other sources of genetic variation.

According to the documentary short Evolution vs. God, Darwinism is a leap of faith that falls far short of Creationism in explaining the mysteries of our existence. The film, which could have presented a fascinating open debate on a crucial subject, quickly devolves into a shallow-minded "gotcha" exercise.. Throughout the course of the film, we're given flashes of rapidly edited interview ...

Evolution Vs. God - Top Documentary Films

Irreducible complexity (IC) involves the idea that certain biological systems cannot evolve by successive small modifications to pre-existing functional systems through natural selection. Irreducible complexity has become central to the creationist concept of intelligent design, but the scientific community, which regards intelligent design as pseudoscience, rejects the concept of irreducible ...

Irreducible complexity - Wikipedia

I AM NOT A CREATIONIST, and must confess that until recently, I treated people who questioned evolution with polite dismissal. But there has recently emerged a major trend in biology that has been suppressed in the mainstream media: evolution is in trouble. More importantly, this has absolutely ...

The Scientific Case Against Evolution - God And Science.org

Jonathan Wells in his book *The Icons of Evolution* gives ten of what he calls 'icons of evolution' that he claims are false and that the evidence is against Darwinian evolution. This document demonstrates that it is Wells that has made many false claims.
