What are examples of fallacies in commercials? | Study.com

Best Answer: Loki's Wager is a form of logical fallacy. It is the unreasonable insistence that a concept cannot be defined, and therefore cannot be discussed. Loki is a trickster god in Norse mythology, who, legend has it, once made a bet with some dwarves.

What are some examples of logical fallacies? | Yahoo Answers

We will close out the logical fallacy series with two of the most common fallacies that occur in arguments about origins: affirming the consequent and denying the antecedent. These are formal fallacies because the mistake in reasoning stems from the structure (the form) of the argument. It is well worth the effort to study formal fallacies and their corresponding terminology because these two fallacies are extremely common—perhaps the two most common fallacies committed by evolutionists.

Logical Fallacies: Formal Fallacies | Answers in Genesis

An example of a fallacy is *reductio ad absurdum*. This is when you exaggerate someone's argument to a ridiculous extent and then proceed to criticize the result. share with friends
