Engineering Solutions Manuals

In my search for particular solutions manuals, I would usually stumble solutions manuals for related textbooks. I would just download those and start using the other book's problems. Hopefully the original book's chapters are decent enough for the book to remain useful, even though I essentially moved on to the second, usually older textbook.

Engineering - Page 1 - The Solutions Manual

Is the solutions manual bc it has lots of ways showing how to work out the problem or something else? I had a teacher who made up his own hw problems so having the solutions manual was only good for looking up how to solve questions and try to apply it to the proper problem. So sometimes you had to do 3 problems in order to get your HW answer.
