I wasn't going to put this section in, but I have to. I wanted to keep the website as free from handwavium as possible. However, while Faster-Than-Light travel is about as handwavium as you can get, it is unfortunately the sine qua non of interstellar space opera. Space opera with no StarDrive is like chocolate cake without the chocolate.

Faster Than Light - Atomic Rockets

The best solution is to measure EMF exposure on a property near ANY power lines and you can do this yourself initially. You may be shocked to find out how many homes are affected by this and that many of those homes are nowhere near those 'big' high voltage power lines.. Once you find a home where the values are under the 0.8mG or 0.3mG depending on the instrument method of measuring, it ...

How close is too close when living near transmission power ...
