### **Cryptography | Coursera**

I'm just going to come right out and say it - today's show is going to blow your mind. Not because we are talking about some crazy complicated strategy or options pricing model, but because we're talking about a dead simple system for selling options every day that generates 22% per year since 2009. And what's so fascinating for me, the host of the show, is how calm and cool our ...
