Considering what it literally is saying - "suit yourself" - the figurative meaning seems to derive from the act of donning a suit of armor or cloths without the assistance of the speaker.

What does "Suit yourself" mean? - English Language & Usage

This section is the nuts and bolts of poetry analysis. You demonstrate your understanding of wordcraft by explaining HOW the writer was able to use specific language features to create an effect on the audience. That effect or impact might be a particular sound effect, a sensory experience or image, a connotation (positive or negative), etc.

Poetry - Language Features | Mrs Mitchell's English Class

Rather than introducing a new word in isolation, teachers should introduce students to a rich variety of words that share the same root. This approach should help diverse learners including English language learners, make important connections among vocabulary words within the same family, and transfer core ideas across content areas.
