Education And Popular Culture

The term "popular culture" was coined in the 19th century or earlier. Traditionally, popular culture was associated with poor education and the lower classes, as opposed to the "official culture" and higher education of the upper classes. Victorian era Britain experienced social changes that resulted in increased literacy rates, and with the rise of capitalism and industrialisation, people ...

Education in primitive and early civilized cultures Prehistoric and primitive cultures. The term education can be applied to primitive cultures only in the sense of enculturation, which is the process of cultural transmission. A primitive person, whose culture is the totality of his universe, has a relatively fixed sense of cultural continuity and timelessness.
