Learning to ask wh- questions requires two things of students: they must learn the correct words to use, and they must learn the word order for two different types of wh- questions. As students learn to apply these features of wh- questions, they get parts right and parts not-quite-right and parts wrong as natural stages along the way to fluent and accurate question asking.

Swedish is descended from Old Norse. Compared to its progenitor, Swedish grammar is much less characterized by inflection. Modern Swedish has two genders and no longer conjugates verbs based on person or number. Its nouns have lost the morphological distinction between nominative and accusative cases that denoted grammatical subject and object in Old Norse in favor of marking by word order.
