Part of helping your toddler learn good sleep habits is teaching him to fall asleep on his own. But even the best sleepers sometimes need a little extra assistance – which is where sleep aids come in. These products and techniques range from a teddy bear to a glass of warm milk, but all share the common purpose of helping your toddler get to sleep.

So my '86 Johnson 6 horse with a new impeller this season pumps water very nicely. But when run at full throttle last week it started overheating and the steam made seemed to generate enough back pressure to stop the flow of cooling water completely. After I let her cool I found that as soon as I backed off the throttle to 1/2 the water started flowing again and it ran fine like this for an hour.
