AP's high school World History course is a rigorous, college-level class that provides an opportunity to gain the skills and experience colleges recognize.

### **AP World History - Students - AP Courses - The College Board**

AP World History: Modern Course and Exam Description This is the core document for the course. It clearly lays out the course content and describes the exam and the AP Program in general.

### **AP World History: Modern - AP Students - College Board**

The primary intent of the AP World History course is to teach the history of the world from a truly global stance rather than from the dominant perspective of Western civilization. This approach, therefore, places emphasis on worldwide historical processes and connections among the whole gamut of human societies.
