At Nestlé, we are very clear that human rights abuses have no place in our supply chains. The challenges involved in addressing human rights issues are often complex and not easy to address. We cannot tackle these alone, and so work in collaboration with key partners to identify challenges and develop solutions.

Biology EOC - FLVS

Of course the evolutionists would say that man evolved from a common ancestor with apes, not apes as we see them today. Nevertheless, you are right that it is rather strange that none of the supposed intermediates were fit to survive; all of them became extinct (there are oodles of living creatures that can be found as fossils, even much, much older than any 'ape-man' according to evolutionary ...
