Strategic management involves the formulation and implementation of the major goals and initiatives taken by a company's top management on behalf of owners, based on consideration of resources and an assessment of the internal and external environments in which the organization competes. Strategy is defined as "the determination of the basic long-term goals of an enterprise, and the adoption ...

But it's up to YOU to decide what YOU do with those tools. It's like if a chef provided you quality ingredients, their top-of-the-line kitchen, and instructions on how to make a five-star meal -- you have everything at your disposal. But it's in YOUR hands to decide if you will put in the time and the effort to create the end result.

Attainable – When you identify goals that are most important to you, you begin to figure out ways you can make them come true. You develop the attitudes, abilities, skills, and financial capacity to reach them. You begin seeing previously overlooked opportunities to bring yourself closer to the achievement of your goals.
