Energy Crisis And Alternatives Answers

The Chinese learned to sell solar technology to the Germans. So perhaps they could learn another lesson from the Germans: Stop buying black rocks from third world countries like the USA, Indonesia and Australia, and start selling a total renewable energy package, complete with grid-scale storage. Third world Americans will be good customers.

Herbal laxatives, such as senna, can be effective but, once again, according to Ayurveda, only for short periods of time. The good news is that herbal laxatives like senna did not increase the risk of colon cancer (13), but as I discuss below, they are habit-forming and trigger a bowel movement by irritating the intestinal wall.

Healthy Alternatives to Laxatives | John Douillard's LifeSpa

In the 21st century, solar power has already become part of daily life. From solar heated swimming pools to sun powered homes, there are many examples that demonstrate the useful application of the clean, safe, sustainable power of the sun.
