HR Consultants generally seem to be entrepreneurial and even when they are part of larger organizations they are sole proprietors by heart. There is much affiliation and networking among consultants in order to share experience and even work on projects and assignments together, due to expertise and strength.

Definitions and usage. The term digital divide describes a gap in terms of access to and usage of information and communication technology. It was traditionally considered to be a question of having or not having access, but with a global mobile phone penetration of over 95%, it is becoming a relative inequality between those who have more and less bandwidth and more or fewer skills.

Digital divide - Wikipedia

CDS 2 2017 written exam was conducted by UPSC on 19th Nov 2017, Sunday. Many young defence aspirants attempted this exam to join Indian Army, Navy and Air Force as an officer.
